

Calallen ISD Board of Trustees
Resolution regarding 2020-2021 School Year

Whereas, Calallen ISD’s mission is to challenge and encourage each student to achieve academic excellence, interpersonal and technical skills, and responsible citizenship;

Whereas, COVID-19 has presented numerous challenges to teachers, staff and administration to meet the mission set forth by Calallen ISD and Texas Education Agency has issued extensive curriculum implementation guidelines due to the pandemic;

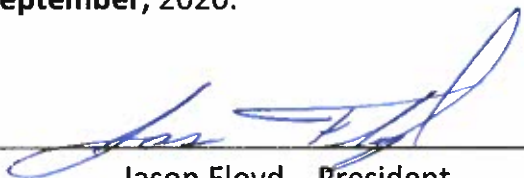

Whereas, all teachers and staff have spent countless hours preparing curriculum for virtual lessons that will keep students engaged in interactive environments using varied methodologies due to restrictions caused by COVID-19;

Whereas, teachers and staff have displayed an unprecedented level of versatility, commitment, and responsibility while developing these lessons that facilitate the educational pursuits of all Calallen ISD students;

Whereas, staff has effectively demonstrated an extraordinary level of nurturing and care to support their student’s educational, emotional and social needs during this time of uncertainty given the COVID-19 pandemic;

Hereinto, Calallen ISD Board of Trustees passes this resolution expressing its sincerest appreciation to all teachers, administrators, support staff, technology department, food service, transportation, maintenance and custodial personnel who have worked tirelessly to safeguard the educational opportunities for students, while mindfully preparing to protect their health, safety and welfare during this global pandemic. The Calallen ISD Board of Trustees is extremely grateful that all District employees have exemplified their passion to remain student-centered while overcoming the obstacles the 2020-2021 school year has presented.

The Calallen ISD Board of Trustees unanimously passes this resolution on this **14th** day of **September**, 2020.
