Calallen Independent School District Off-Campus Physical Education Waiver Information Packet

To the Parents of Prospective Off-Campus PE Students (Grades 6-12):

The Texas Education Agency (TEA) authorizes school districts to award physical education credit for students participating in appropriate privately or commercially sponsored physical activity programs if certain guidelines are met. School districts may choose to participate in this program at their own discretion.

The purpose for the program is to accommodate students who wish to participate in special and/or accelerated physical education activities that go above and beyond those normally scheduled in the school district.

For a private or commercially sponsored physical activity program to be approved, the program must meet certain guidelines set by the Calallen Independent School District. Enclosed is a copy of the General Guidelines for Off-Campus Physical Education, as well as the necessary forms for participation. **Credit will be granted only to those students who are participating in a program that is in total compliance with these guidelines.** Calallen ISD has no control over the daily activities of the program, quality of the program, or qualifications of the instructor in the program. Calallen ISD does not perform criminal background checks on the Off-Campus Physical Education Instructors. Calallen ISD is not responsible for accident or hospitalization insurance.

Please read the enclosed guidelines carefully. For a student to be considered for a waiver to earn credit for physical education through this program, an application must be completed and returned to the counselor. Applications are due in the counselor's office prior to the start of the school year for which a waiver is being requested.

The program is available to only those students who are attending middle high or high school, grades 6-12, for the fall and spring semester, as allowed by the District and the Texas Education Agency (TEA).

Sincerely,

A handwritten signature in cursive script that reads 'Anita Danaher'.

Calallen Independent School District Off-Campus Physical Education Guidelines

PROGRAM DESCRIPTION- GRADES 6-12

The Off-Campus Physical Educator Program is a cooperative arrangement between the Calallen Independent School District and the approved off-campus sponsoring facility/agency. These guidelines include a list of basic requirements/responsibilities that have been determined by Calallen ISD and the Texas Education Agency (TEA). These requirements must be met and maintained to be eligible for participation in the program.

Private or commercially sponsored physical activity programs, in which students participate intensive training above and beyond that of regular physical education classes, may be substituted for physical education credit for students in grades 6-12, as allowed by the District and the Texas Education Agency (TEA).

All sports/activities require individual, one-to one, directly supervised instruction. No team sports, including team sports private lessons, will be approved (i.e. basketball, baseball, soccer, softball, volleyball, etc.). Only sports that allow for individual scoring, competition, and individual advancement will be approved.

QUALIFYING CRITERIA

CATEGORY I: Requires a minimum of fifteen (15) hours per week of exceptional or high quality participation by the student (comparable to Olympic training level). The student must participate in his/her activity for at least four (4) of the required hours spread over three days falling between Monday through Friday of each week.

This category allows the student to miss one period of the school day (as defined by TEA) due to the intensive training required by the program activity. At the high school level, Category I students must leave school for one period of the school day (either the first or last period of the day) due to the nature of the program activity. At the middle school level, Category I students have the option to leave during the one period of physical education or take an additional elective. All Category I waiver requests must be submitted to the counselor then to the CISD deputy superintendent.

CATEGORY II: Requires a minimum of five (5) hours per week of appropriate participation by the student (i.e. swimming, gymnastics, ballet, etc.). The student is not allowed to miss any part of the school day for participation in this type of program. The term "appropriate" means that the substituted activity is in congruence with the Physical Education Texas Essential Knowledge and Skills (TEKS) as closely as possible, if not above and beyond the rigor of the standards.

GRADES, CREDITS, AND REQUIREMENTS

No letter grades will be recorded. Credit will be determined on a pass/fail basis.

High school graduation requirements specify students must earn one credit of physical education. High school students may apply for an Off-Campus Physical Education Wavier to substitute physical education credit for the current school year.

Texas Education Code 38.101 requires annual physical fitness assessments in grades 3-12 beginning in the 2007-2008 school year. Both middle school and high school Category I and Category II students will be required to take the FITNESSGRAM assessment during the school year. Off-Campus Physical Education students will be notified when and where the assessment will take place. The results of these assessments will be reported to the Texas Education Agency (TEA) annually.

ATTENDANCE

In addition to the minimum hourly requirements for each category, the student must participate in his/her activity for at least four (4) of the required hours spread over three days falling between Monday through Friday of each week.

Attendance in the off-campus physical education program must comply with state compulsory attendance laws and the attendance for credit statute which requires a student to be present 90% of the days a class is offered in order to gain credit. Participation in events/activities related to the Off-Campus Physical Education Program should not affect the student's attendance at school. Absences resulting from participation shall be recorded as unexcused.

The student must participate in the Off-Campus Physical Education program for the entire school year. Extended absences for injury or illness (not to exceed 9 weeks) will be excused only with a physician's letter.

Category I students must arrive or depart school in a manner that does not affect the remainder of his/her classes. A pattern of late arrivals or early dismissals may result in the waiver being revoked.

TRANSPORTATION

Transportation to and from the sponsoring agency will be the sole responsibility of the student or the student's parent/guardian.

TRANSFER

The student may **NOT** transfer from a physical education or athletic class into an Off- Campus Physical Education program after the deadline for application. However, the student may withdraw from the Off-Campus Physical Education Program and transfer back to an on-campus physical education or athletic program. Participation in a varsity athletic program will be subject to UIL rules.

LIABILITY

The District and its officers or representatives shall be excluded from liability and/or medical expenses that may develop or result from the student's participation in an off- campus program including travel to and from the program. The district has no control over the daily activities of the program, quality of the program, or qualifications of the instructor.
